NARRATIVE

I responded to a two vehicle collision at the 10500 blk of 1st Place NE in the city of Lake Stevens. The collision involved a legally parked WSP Trooper vehicle bearing license 223WSP and a white box van bearing license C65567E. I contacted the WSP Trooper in the street and he advised that he was told a van had collided with his parked patrol vehicle. Trooper King advised me the driver of the van had walked away and then back to the crash and away again. I contacted the female passenger in the van who said that "Joe" was driving and that she didn't know where he went. Trooper King then told me the van driver was sitting on the porch of a house at the end of the cul-de-sac. I contacted Joe there. Joe initially denied being the driver but eventually admitted to driving the van at the time of the accident. Joe said that he was pulling through the cul-de-sac making a long left turn. Joe said that he cut the corner too tight and hit the left front of the patrol car with the right rear of the van. Joe said he was scared because he has an ignition interlock requirement from a DUI about a year ago.

I CERTIFY (DECLARE) UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING IS TRUE AND CORRECT. (RCW 9A.72.085)

Initial Case ReportCase Report # **2016-00017626****NARRATIVE**

On the date and time of this incident, I was a commissioned Police Officer in the State of Washington. I was wearing a Lake Stevens Police Department issued uniform with shoulder patches and chest badge identifying me as a police Officer. I was driving a Dodge Charger patrol vehicle with Lake Stevens Police markings and fully operational emergency equipment.

On 09/06/2016 at about 1907 hour, I was dispatched to a priority collision at 10500 1st Place NE. Dispatch advised of a two vehicle non-injury collision with a possible disturbance. Upon arrival, I found a Gray Chevrolet Caprice parked on the North side of the dead end roadway with a Ford box van that had collided with the L/F fender. The van was stuck to the PIT bars of the patrol vehicle. The patrol vehicle license plate was 223WSP and the van plate was C65567E. I contacted Trooper King in front of his residence. Trooper King told me that his young daughter advised him that a van had hit his issued patrol vehicle. Trooper came outside and found that the driver, Joseph Borovina, was walking away from the collision and then walking back to it. Trooper King said that Borovina was now sitting on the front porch at a residence at the end of the cul-de-sac.

I contacted the female passenger, Ford, Hayley, and asked her about the collision. Ford said that she was a passenger and that "Joe" was driving. Hayley said that Joe took the turn too close and hit the patrol car. I asked if Joe was under the influence and she said she "didn't know" although she admitted to being drunk.

I then contacted "Joe" seated on the porch of the residence. I asked Joe about the collision and he said he wasn't driving. I told Joe that his female passenger already identified him as the driver. Joe said, "I don't know why she would say that." I then told Joe that if he had a warrant or suspended license that I was not going to worry about that right now and that at this time I didn't really care about anything else but reporting the collision. Joe admitted that he was driving and that he didn't want to admit it because he got a DUI about a year ago and that he didn't have the interlock device on the box truck as he is required to when driving. I asked Joe to come back down the accident scene so I could do the collision report which he agreed to and gave me his driver's license which did show that he was required to have an ignition interlock.

I completed the collision report as WSP Sergeant Leary #205 arrived on scene. LKSPD Officer Michael arrived to assist and took photographs of the collision. I asked Officer Michael to contact Joe and see if he would provide a written statement. Joe declined Officer Michael's request. Sgt. Leary was later able to obtain the written statement from Joe, which Sgt Leary kept in his possession. Sgt Leary also took his own photographs.

I gave both parties their exchange of information paperwork. I later booked a CD of the collision photos into the LKSPD Property Room. I requested that the LKSPD Records personnel fax the SECTOR and NWS reports to Sgt Leary and provided the contact number.

I CERTIFY UNDER PENALTY OF PERJURY UNDER THE LAWS OF THE STATE OF WASHINGTON THAT THE FOREGOING STATEMENT IS TRUE AND CORRECT, AND I AM ENTERING MY AUTHORIZED USER ID AND PASSWORD TO AUTHENTICATE IT.

I was wearing a Lake Stevens Police Department issued uniform with shoulder patches and chest badge identifying me as a police Officer. I was driving a Dodge Charger patrol vehicle with Lake Stevens Police markings and fully operational emergency equipment.

On 09/06/2016 at about 1907 hour, I was dispatched to a priority collision at 10500 1st Place NE. Dispatch advised of a two vehicle non-injury collision with a possible disturbance. Upon arrival, I found a Gray Chevrolet Caprice parked on the North side of the dead end roadway with a Ford box van that had collided with the L/F fender. The van was stuck to the PIT bars of the patrol vehicle. The patrol vehicle license plate was 223WSP and the van plate was C65567E. I contacted Trooper King in front of his residence. Trooper King told me that his young daughter advised him that a van had hit his issued patrol vehicle. Trooper came outside and found that the driver, Joseph Borovina, was walking away from the collision and then walking back to it. Trooper King said that Borovina was now sitting on the front porch at a residence at the end of the cul-de-sac.

I contacted the female passenger, Ford, Hayley, and asked her about the collision. Ford said that she was a passenger and that "Joe" was driving. Hayley said that Joe took the turn too close and hit the patrol car. I asked if Joe was under the influence and she said she "didn't know" although she admitted to being drunk.

I then contacted "Joe" seated on the porch of the residence. I asked Joe about the collision and he said he wasn't driving. I told Joe that his female passenger already identified him as the driver. Joe said, "I don't know why she would say that." I then told Joe that if he had a warrant or suspended license that I was not going to worry about that right now and that at this time I didn't really care about anything else but reporting the collision. Joe admitted that he was driving and that he didn't want to admit it because he got a DUI about a year ago and that he didn't have the interlock device on the box truck as he is required to when driving. I asked Joe to come back down the accident scene so I could do the collision report which he agreed to and gave me his driver's license which did show that he was required to have an ignition interlock.
